Especificações do PC - 9TALK

========================= Informações Básicas ==============================

SO: Linux
Versão do SO: 4.15.0-46-generic
Nome da Máquina: rafael-Inspiron-5457
Arquitetura: x86_64

======================= Informações do Processador ===========================

Marca/Modelo do Processador: Intel(R) Core(TM) i7-6500U CPU @ 2.50GHz
Frequência: 2.5000 GHz

=========================   Unidades   de   Armazenamento
